

## January Principal Report-PAC

### Covid Update

- We received shipment # 1 of masks and rapid tests; sent home with staff and students on Friday January 14th
- Reviewed restriction protocol with students. Masks are enforced and non negotiable in all common areas such as hallways
  - Students are able to have mask breaks in the classrooms, PE and outside
- Students that are refusing to wear masks will be sent home
- Students that need continuous reminders of wearing a mask and/or wearing it properly will be spoken to first; then possibly sent home for remainder of the day
- If this is continuous with a student; we may have to look at them doing their courses via online learning

Note: While I have received a few log entries and have spoken to a few students; at this time we have no student refusing and very few that need continuous reminders.

### Athletics

- At this time Jr and Sr students are having practices only for basketball. All interschool games are canceled
- This is examined weekly by our Division Office; as they are looking at our absenteeism for both staff and students
- Updated information will be sent out to parents weekly
- Near the end of the semester we will look at the fees associated with our Athletic Programs

### Exams/Diplomas

- Diplomas have been canceled and sent back to Alberta Ed
- Teachers have scheduled in class exams for the last week of January which gives students more time to prepare. They are also able to come in the week of exams to get assistance from their teachers and/or work on missing assignments

### Report Cards

- Marks for all classes are due on Friday January 28th
- Report cards will be printed the following week and we hope to have them out within the first couple of days of February

### Awards

- 2020-2021 Awards were given to students
  - Put on Social Media

- Sent PDF to parents
- 2021-2022 Awards will be done in June even if the medals are delayed with covid
  - It becomes a lot of work trying to complete this from the year before, and this way we will be back on track to complete each year
