Are you interested in having a school council at BHS next year?

Would you like to be involved in helping lead our school in fundraising and school/ community based activities?

If so, please meet Miss Prusko Tuesday, May 10 in the Learning Commons to further discuss!

Male Mentorship

BBQ Club

Breton High School is looking to bring together strong male mentors from the community that could build connections through fun activities and something all young guys could participate in! BHS is starting an after school BBQ group, where attendees could put a great meal together while having a few drinks (non alcoholic!). We would like to reach out to men from the community who are willing to volunteer their support as positive role-models for some of our students. Volunteers will require a Criminal Record and Vulnerable Sector check. If you are interested, please contact our Family Wellness Worker Mrs. Ross
