## CONGRATULATIONS

### Gary Hobson Volunteer of the Year Award

Corey Colwell (Breton High School)

Known as the “Johnny Appleseed” of 6-a-side football in the province, Corey Colwell wears many hats in his pursuit of development of the game at that level. Originally from Saskatchewan, Corey started teaching at tiny Breton High School in west central Alberta. From there he started a 6-a-side team and convinced a few other schools to join him and the introduction of 6-a-side began at the high school level. By 2011 over 20 schools were participating and 6-a-side was added as a Championship at the Alberta Bowl by the A.S.A.A. For the past few seasons he has served as the Commissioner of 6-a-side football and also worked at the Provincial level with Football Alberta’s U16 program. He has presented at several coaching clinics and never says no to helping out the next 6-a-side program starting out. For all his work behind the scenes it a pleasure to present the Gary Hobson Volunteer of the Year Award to Corey Colwell.

BHS is heading to Europe in 2024! This trip is open to Grade 7-12 students. Please email [rhonda.monts@wrsd.ca](mailto:rhonda.monts@wrsd.ca) for more information
