6. Trustee Report- Daryl Scott
  - a. The budget came out today, March 11 2024 and Breton was not on the list for funding, so our modernization project will not move forward at this time. Possibly in the 2024/2025 school year. The funding is mainly going to bigger city centers with an exponential growth of students per year and a need for more schools. The design is complete, and the project will stay the number one project for capital funding by the division. [See Attached](#)
  - b. Daryl Scott and Andrew Boitchenko toured both BHS and BES on March 7, 2024. It went very well. He was impressed with all the staff. Discussions were had about the wellness program, and how it is felt it should be an AHS cost versus a division cost.
  - c. Drayton Career engagement- Physician Recruitment program(RHAP). 28 kids participated. A great program with positive feedback from all who attended.
  - d. Government changing bussing for the 2024/2025 school year. Students who attend grades K-6 are eligible to ride the bus if they reside 1.0km or more from their attending school. Students who attend grades 7-12 are eligible to ride the bus if they reside 2.0km or more from their attending school. There will be stops placed in town for these students to access.
  - e. Movement of principals in Drayton Valley, HW pickup has an open position
  - f. Umbrella Meeting April 16,2024 at 5:00pm at the Powerhouse Campus in Drayton Valley. Anyone may attend. The number of people attending needs to be emailed to Dawn.
7. Student Council Report- No new report
8. Approval of Agenda: Shayanne Sheaves made a motion to approve the agenda as presented.

9. Old Business

- a. Community Scholarship Trust Society- Need 3 people to sit on the board from the Breton community. They meet 5 times per year. KathieJo Hoffarth is going to send a letter to the board stating we are interested and will join the AGM next year.
- b. Black Gold School division and Warburg PAC meeting outcome- Shayanne Sheaves and KathieJo Hoffarth met with the Warburg principal, vice principal and 3 PAC members at the Warburg School. They were very welcoming, and showed them the space where our kids will be. They discussed mutual concerns and tips for bus/parent drop offs and pickups.

10. New Business

- a. Transportation Concerns- Canceled bus routes are beginning to be a major problem. There are no spare buses available and no "relooping" options with a later pickup time being offered. The communication over bussing issues should be with the board member, not passed onto the contractor Prairie Bus Lines like it is now. Darryl Scott is going to look into the concerns brought up.
- b. Meeting with Brad Volkman and Mike Lundstrum- Shayanne Sheaves and KathieJo Hoffarth met with Brad Volkman and Mike Lundstrum. They were shown floor plans of Warburg School and the upstairs. There is more than enough room. Great spaces, large art/pottery room, bigger shop, foods room, music room and common areas. They have no concerns. The plans look good for when or if it happens with the modernization now being on hold.
