Not sure which teacher to speak with?
Log in to Power School to see your child's schedule
and the teacher will be listed

Welcome back everyone!

My name is Constable Keller - your new School Resource Officer. I became a Police Officer with Breton/Thorsby RCMP in February and I had the pleasure of taking this position during summer break. I was born and raised in Niagara Falls, Ontario where my career goal was to become a Police Officer. I have always valued serving my community and helping people. My favourite things to do are ride my horses and take my dogs for hikes! I am so excited to get to know all of the students and support you in every way that I can. You will see me around the school, attending school events, giving presentations and working closely with your faculty.

As your SRO, I am here for YOU. I can be your mentor, your support system and friend. I will encourage you to learn, get involved and make good decisions. I plan to build trusting relationships with the students and their families. If you ever have questions or concerns, I am here to help.

I can't wait to start this school year with you - let's be safe and have fun!

Constable Keller

Additional notes from the office:

Students are permitted to use the office before or after school, during lunch or at break times. During the remainder of the day, the office may be utilized to sign in or sign out or during an emergency or if they are sent by a teacher.

PowerSchool: <https://wildrose.powerschool.com/public/>

If you are having trouble looking at your students marks and attendance on PowerSchool, call the office for help in verifying your username, email used or if you need to reset your password.

Fees: <https://wildrose.schoolcashionline.com/>

CTS fees will be charged to all students. Grade 7-9 are \$40.00 per semester and Grade 10-12 are \$80.00 per semester. The office accepts payments of cash or cheque, you may also pay online.

School Messenger/Safe Arrival: <https://go.schoolmessenger.ca>

If your student will be late or away, please call to inform the office. You may also log the absence yourself by using School Messenger. If you do not want to receive the call after school informing you of your child's absence, you can email the office to have your number removed from the call out list.

Chromebooks are used throughout our division, you will be able to sign one out at the library and take it home provided you pay the deposit of \$100 cash or cheque. (Deposits can also be paid online when requested to be added to school cash). When the chromebook is returned at the end of the school year, you will be reimbursed if it has been returned in good condition. If you are not able to pay the deposit, a classroom chromebook will be provided, however, you will not be allowed to remove that one from that specific classroom. If you sign one out from the Library for the day use, you must return it back to the library that day.

Front doors are for staff and visitors. Students should be using the side entrances unless they are late and then they need to be checking into the office upon arrival.

Starting this year, cell phones must be left in the locker or at home. They are not to be used during the day other than before or after school or at lunch. Parents will need to contact the office to either talk to your child or to leave a message. If students are on their phone, it will be taken to the office and the student can collect it after 3:10pm. For repeat offenders, parents will need to come in to pickup their student's phone. Students can use the phone in the office in an emergency or during the lunch break. Please see the letter from WRSD.

I'm here to help or if you have questions, call me at 780-696-3633 or send me an email at cheryl.mason@wrsd.ca. Let's make it a great school year!

Let's Go Cougars!!
