

BHS NEWS

December 2023

A note from the Office:

Semester 1 Fees are past **DUE**.
Please phone the office to make arrangements.

Please note that Sports Fees must be paid in full prior to students attending games unless arrangements are made in the office

Thank You

- **HWN Energy Ltd.** for their generous donation to our Breakfast Program
- Thank you to everyone who supported the Foods Program Preserve and Pie fundraiser. We raised **over \$500** with our goodies!
- **Elder Wilson Bearhead** and **Seneca Dueck** for sharing their knowledge through a blanket exercise teaching students about different laws affecting indigenous communities, and colonization. In addition, they have come to our classrooms to teach students about respect, culture, and perspective.

Looking ahead:

DEC 1.	Sr. Girls BBall Host

12 Days of Christmas

Internship Program

Indigenous Youth Internship Program EQUITY & ACCESS FOR INDIGENOUS YOUTH

The Indigenous Youth Internship Program is a CAREERS initiative designed to increase equity and access for Indigenous youth to education and employment opportunities.

By providing Indigenous students in grades 10 to 12 with opportunities to become more familiar with a variety of career paths, they can enter the workforce or post-secondary education with more ability and confidence.

This initiative encourages students to make informed professional choices, become more aware of the academic qualifications required, develop employability skills, and gain work experience.

Welcome!

BH would like to welcome Cst. Mackintosh in the position of School Resource Office (SRO). She comes from Ontario and has been with the detachment for the last 3 years. SRO's are a valuable part of our school. They are here to support our school, and the students through various activities like presentations, advice, and being available and visible within the school population. We would like to wish Cst. Stegemann all the best in his new posting in Red Deer.
