SRO

SRO (School Resource Officer) Update:

During the past few months as Breton's new SRO, I have had the opportunity to meet the students and sit in the classrooms, participate in school events and presentations, and attend school sporting events. As the SRO the goal is to continue encouraging a positive relationship between students and Police. During the upcoming months, there are plans in place to facilitate proper lockdown drills within the school to further prepare students, teachers, and all employees of the school the proper drills in the event of an emergency situation.

Parent Session: Social Media with Madison Cameron

Monday, February 12th at 5:30 pm in the BHS Band Room

Parents Only for this session- no kids please

Madison will be working with BH students during the day

Madison is the Youth Specialist at the Centre for Trauma-Informed Practices. She has developed a series of comprehensive presentations for professionals, parents, and caregivers focused on the mental, emotional, and behavioral aspects based on the influences of Social Media use. This work was inspired by Madison's personal exposure to Social Media growing up as well as the many experiences she has had supporting children and youth as they face their own difficulties with Social Media engagement.
