## Chromebooks

Chromebooks are used throughout our division, and it is highly recommended that students bring their own.

However, if you are unable to bring one, you will be able to sign one out at the library, with a \$100 cash or cheque deposit. (Deposits can also be paid online if requested). When the Chromebook is returned at the end of the school year, you will be reimbursed if it has been returned in good condition. If you are unable to pay the deposit, a classroom Chromebook will be provided, however, you will not be allowed to remove that one from that specific classroom. If you sign one out from the Library, you must return it back to the library that day.

## Athletics
