February & March 2025

Keep up to date with the BHS Events calendar on our website

[February 2025](#)

Semester 1 is in the books for the 2024-2025 school year! Report cards have been added to PowerSchool for you to view or print.

We have gotten through our first couple weeks in our temporary location in Warburg School and seem to be settling in.

If you need to phone the office for any reason, our phone number is still the same.

780-696-3633

Be aware that our entrance doors are open at 8:20am and lock again at 8:45am. After this time you will need to ring the buzzer to be let in by the office.

Please continue to check in and out at the office when you arrive and depart so we know who is in the building.

Please note: When buses are dropping off or loading students at the beginning and end of the day and their signs are out - **no cars can go past them.** This is a hefty fine so please ensure you stay put until their signs are put away!

Lost and found is located by the Big Gym. If you have lost small items such as, jewelry, keys, earbuds, etc. they may be taped on the window in Warburg's office.

Now that we are in Warburg, the 2024-2025 Annual Demographic Confirmation Report form that was signed and returned to the office either electronically or by paper copy, will still be in effect and Warburg will be “Our Community” with respect to the following permission given for Local Field Trips.

Parent Permission Form Local Field Trips / Excursions AP 260 Appendix 1

Parent Permission Form Local Field Trips / Excursions Please sign this consent so your child can participate in local field trips and activities. Please return the Parental Consent portion at the end of this letter to the school. All of these trips will be weather dependent. Parents will be notified in the student’s agenda or with a separate note home prior to the activity. If special clothing, equipment or volunteers are needed a notice will be sent home. All volunteers will provide all required records checks to the office prior to going on the trip. Students will be leaving the school accompanied by their teacher or a qualified substitute teacher. These trips supplement our school curriculum and will take place during school hours. Other permission requests will be sent home when students are leaving town on a bus or overnight.

These trips may include but are not limited to the following:

- Walks within our community (Terry Fox, classroom walks)
- Walk around our block(Daily P.E.)
- Music and sports activities (Track & Field, Swimming Pool, visits to other schools)

I give permission as a parent/legal guardian for my student to participate in the local field trips as outlined on this document for this School Re-Enrolment Registration Form's school year. I have read the document and understand that these activities supplement curriculum. I give my permission for the above listed student to be transported by school personnel or their designees and to participate in the above. I also authorize any necessary emergency medical treatment to be administered to the above named student. I understand that these excursions are school sponsored activities, that the students are expected to conduct themselves as responsible individuals, and that the rules and regulations of the school and the Wild Rose School Division will apply at all times for the duration of the field trips.
