**Chromebooks** are used throughout our division, and it is highly recommended that students bring their own. However, if you are unable to bring one, you will be able to sign one out at the library for the school year. A contract will be provided to the student to sign as well as the parent. It will be up to the student to take this chromebook to school each day and ensure it is treated with the utmost care.

We also recommend that you place all extra supplies in a large Ziploc bag in your locker and only carry a few items in your pencil case. As the year progresses, certain teachers may require additional supplies.
