October 2025

Congrats!

Breton High School students complete the YETI Program.

The YETI (Young Entrepreneurs Training Initiative) program in Alberta is a business training initiative for Sr. High students. The program offers workshops, mentorships, resources, and startup capital to help young people start and run their own business for the summer.

Did You Know??

Every week, our dedicated team makes 120 sandwiches and provides nourishing options like cereal and fruit to students who need it. This commitment to student wellness is something we take great pride in. Last year, a generous grant helped us purchase all of this food; however, that funding source has unfortunately concluded this year. We are currently using the remaining funds from this grant to continue providing this essential service. To help us secure the future of our student nutrition program and ensure no student goes hungry, please consider making a donation by contacting our office.

Looking ahead:

Oct 3/4	Sr. Girls Volleyball Tournament in Devon
Oct 13	No School
Oct 20	Parent Grad Meeting 6pm (BE)/ PAC 7pm (BE)
Oct 22	Parent/Teacher Interviews (Teacher Request) Twin or Triplet day
Oct 24	PD Day No school for Students
Oct 28	Photo retakes
Oct 31	Hot Lunch Orders due today for Nov 5 Lunch Halloween

Please Note:

Our Oct. 22nd Parent/Teacher Interviews will be by teacher request. On November 13 parents will be able to request an interview if they choose to do so. Depending on the length of the strike, teachers will make these arrangements upon their return.

**REMINDER: WE ARE A SCENT FREE
BUILDING**

Interested in being a wrsd approved driver?
this allows you to drive students other than
your own child. contact our office for the
required paperwork

A note about the vending machines:

Vending machines are to only be used during break times. Not during class time.

When students start jamming items like MINTS in the vending machine this makes the vending machine not work! Please DO NOT put items other than money in the machines or you may lose the privilege of having the machines in the school. We need to be respectful of other people's property.

Roots of Empathy program

BHS is still looking for a Mother of a baby (who will be approximately 2 months old in October) for our Roots of Empathy program. The Mom (or Dad!) and baby volunteer would need to be willing to come to BHS in Warburg once a month for the 2025/2026 school year. Please contact the Family Wellness Worker (1-780-696- 3633), Jennifer Olson-Ross asap if you know a parent who may be interested.

Hot Dog Wednesdays!

Warburg School has given us the opportunity to purchase Hot Dogs through their lunch program on Wednesdays. You must preorder and pay for your Hot dog by Monday at lunch with BHS Office. We will only be taking cash. They are \$2.50 each

Travel Club

We will be hosting an information session in late November or early December. During this meeting we will be choosing the destination of the trip we will be taking in Spring 2027. Check out some of the available trips in the link below.

<https://forms.office.com/e/Y6PSD6dZ8G?origin=lprLink>

From the office:

Student Demographics forms have been emailed to parents/guardians in September. Please log in and complete these documents. If you need some help, please call the office.

While we are located in Warburg School, our entry doors are located at the parking lot. Please use these doors so we don't disrupt Warburg School. If you need to enter the school, you will need to buzz in to gain entry. If students are late for class, either before school or after lunch, they will need to buzz in and sign in at the office.

If students need to leave early, parents must call or come into the school to sign them out. Students must also sign out at the office.

Students are permitted to use the office before or after school, during lunch or at break times. During the remainder of the day, the office may be utilized to sign in or sign out or during an emergency or if they are sent by a teacher.
